While everyone's quiet, Guzma's team began painting the walls of the building with spray paint color with Ty's appearance as a drawing, after that, they smile villainously as they are prepared to watch Ty and his friends being framed by morning.

By the next morning, Ash's team had arrived at Olivine City after their long trip as Ash took his friends to explore this city. However, before they do, everyone was shocked about the city's wall painted in spray, asking anyone what was going on, just as Ty was looking sprayed color at wall only to be looking at a picture of himself with drawing, confusing about his appearance, suddenly, the citizens noticed him and started to yell and protest against him, responsible for a mess he made, much to Ty's shock, his friends defended him, claiming that he didn't do anything, but all the citizens ignored them, declaring Ty as a true perpetrator of Olivine crisis, calling him guilty. Despite the gang's plea for Ty's innocence, the citizens start to chase him, splitting them apart as they escape to avoid being captured, unknown to the gang or the citizens, Guzma and his grunts were watching them very happy as Ash and his friend's day are ruined as they resume watching. The angry crowd of citizens continue pursuing Ash's gang, Max was shocked by these people's protesting while they decide to split up and take shelter, which they agree to. May, Max, Raye, Jonah, Avery, and Sarah hide in the gym leader building while Ash, Ty, Sakura, Dawn and Lillie are still being chased by more citizens, they were relieved to be saved.

They became worried for Ty and his friends safety while Manaphy was scared until they were greeted by Jasmine and Janina, Raye and the others were amazed by looking at the gym leader as they explained the situation that everyone is blaming Ty for a mess, claiming that he's not a true culprit, which Jasmine says that she doesn't believe her people since they lied for framing their friend while Janina explains that the true culprit is responsible for causing this city a mess is still somewhere in here, Avery makes an idea to everyone by solving the case to find the real perpetrator, they all agreed on Avery as they went outside to find their friends, Jasmine and Janina went with them. Meanwhile, Ash, Ty, Dawn, Sakura, and Lillie were still being chased as they found and hid in the back of the building as a good spot while the citizens lost their track and continued finding them without being discovered. Dawn was very upset at these people for blaming Ty for this just as he's not giving up as they are mistaking a wrong person, Lillie doesn't understand about them for blaming anyone, while Ash must figure out about the true perpetrator, suddenly, a figure appears behind them, revealing to be Trip, Ash's old rival from Unova, much to his and Pikachu surprisingly happy about him, introducing him to his friends and explains the situation about Ty who was falsely framed for this mess, which Trip tells them that it's not true until he shows the picture on his camera that he took last night, revealing Team Skull responsible for the mess they made and Ty's drawing they made in order to blame him, much to their surprise and upset.

They realize about Team Skull's involvement, and Trip suggests they find the grunts, exposing them to the citizens as the true culprits, which they agree with and find their friends. Meanwhile, Team Skull are preparing to leave as they still watched the citizens pursuing Ash's gang until they saw the others reuniting together with each other, Ash was thankful at their friends safety and reuniting Jasmine and Janina just as the citizens corners them, until Jasmine tells her people that they are not responsible until Trip shows them on his camera with pictures he taken from yesterday, which is Team Skull, confirming as the true culprit, much to the grunt's shock who accidentally steps out of the building, the citizens, Ash's team looks at them with their grumbled look, realizing that they been foiled exposed.

Suddenly, Ash and his friends celebrated their victory thanking Trip and Jasmine for their help as everyone of the citizens apologizes to Ty for wrongfully accusing him, which Ty forgave them while Jasmine offers the gang and the citizens to clean up the spray paint of the building, they all accepted to volunteer. Later on, they successfully finished cleaning up the city, eventually, Jasmine invited Ash's gang to eat a meal.
